RE: Redesignation

Attached is an amendment for the FEC report covering the period April 20, 1998 - June 30, 1998. The purpose of this amendment is to redesignate \$1,000 from Mylan Laboratories, Inc. PAC made to Goodlatte for Congress on April 30, 1998.

Mylan Labs brought to our attention the fact that they are not classified as a multi candidate PAC so therefore may only contribute \$1,000 per election cycle. It is for this reason that \$1,000 had to be redesignated to the 2000 Primary.

If you have any questions regarding this redesignation, please contact me at (540) 982-3852.

Sincerely,

Kenneth L. Prickitt, CPA  
Treasurer
